

Technical specifications

Scope Intermediate Straight

The Scope Intermediate straight is a cable guide used as an extension point. Due to its design, the shuttle can easily travel over the intermediate without disconnecting from the line.

Use

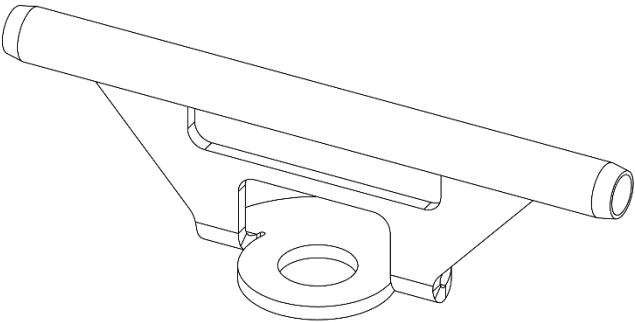

Exclusively for use in combination with the Scope DP-R. Installation with a safety nut on the Scope DP-R. Provides an uninterrupted and smooth passage of the shuttle.

Materials

Intermediate:	Stainless steel 316
Surface treatment:	Electropolished
Safety nut:	Stainless steel 316

Technical details

Breaking strength:	25 kN
Weight:	0.3 kg
Dimensions:	Width 180 mm Height 58 mm
Anchorage:	M12
Marking:	Serial number on safety nut
Packaging:	Individually packaged
Colour:	Chrome
Ref.:	VB97DI081
